Statement of Compliance Form/ Acceptance Test Request Form

To: City of University Heights
Fire Prevention Bureau
3980 Silsby Road
University Heights, Ohio 44118

Date: _____

Subject Fire Protection System: _____

Property Name & Address: _____

This letter is to inform the University Heights Fire Department that I have installed, inspected and successfully tested the above fire protection system according to manufacturer's specification, the Ohio Fire Code and the applicable National Fire Protection Association standard(s).

Further, the system was installed in accordance to the plans submitted and approved by the University Heights Building Department. There were no deviations from the plans or specifications in the equipment and installation process.

Ohio Fire Code; Section 901.2.1

Before requesting final approval of the installation, where required by the fire code official, the installing contractor shall furnish a written statement to the fire code official that the subject fire protection system has been installed in accordance with approved plans and has been tested in accordance with the manufacturer's specifications and the appropriate installation standard. Any deviations from the design standards shall be noted and copies of the approvals for such deviations shall be attached to the written statement.

Pursuant to City of University Heights codified ordinance section 1620.04 (c), "[t]he submission of a Statement of Compliance Form, as required by this section prior to the issuance of an occupancy permit, that contains an erroneous or false statement as evidenced by a failed acceptance test as performed by the Fire Department or does not contain an attachment outlining deviations from the design standards shall result in the following fines to the installing contractor:

- (i) Two hundred and fifty dollars (\$250.00) for the first violation of this section at a subject property;
- (ii) Five Hundred Dollars (\$500.00) for each subsequent violation of this section at a subject property."

Each time an installing contractor is fined for violation of this section, a new Statement of Compliance Form must be submitted to the Fire Department a minimum of 48 hours prior to the retest. The Fire Department will not witness any retest until such time as all fines levied pursuant to this Section have been submitted to the City of University Heights.

I hereby request the University Heights Fire Department to witness the final acceptance test and verify the fire protection system is ready to be placed in service.
